How can you energise yourself at the Energy Farm?

There are hiking trails around the farm and in the summer, the Navesti River is great for swimming and fishing. The farm offers workshops on medicinal plants and their use, healthy Estonian food and the world of sauna. The eco-spa can be visited, and sauna rituals attended together with the sauna master. Herbal teas, ointments, floral waters and cuttings are also available to purchase.

In 2018, the Energy Farm was awarded the “Beautiful Estonian Home” award by the President of the Republic, and in 2017, it received the title of a beautiful Suure-Jaani Parish production farm.
