Kase Farm Garden

Kase talu, Päigiste küla, Mulgi vald, Eesti, Viljandimaa, Estonia, Estonia

The Kase Farm is located in Mulgimaa. Currently, there are about 300 different tree and shrub varieties in the garden, about a few dozens of them rare.

Description

The Kase Farm is located in Mulgimaa. The family has owned the farm-houses and the garden since the beginning of the 20th century. A few ornamental trees have also been preserved since. Purposeful collection started in the final decade of the previous century. Currently, there are about 300 different tree and shrub varieties in the garden, about a few dozens of them rare.

There are about 50 perennial flower varieties in the garden. The plants mainly originate from Estonian and Latvian tree nurseries and reproductions from friends' collections.
